

# CASTLE WOOD

**OPEN-DAY (12-3pm)**

**Sun 22<sup>nd</sup> August 2021**

- Learn about our draft plan to improve the woodland
- Please give us your views to help shape the plan
- Bring the family and have some fun in the woods
- We are delighted that Scozzese Pizza will be there at the meeting point too – so lunch is available as well !!

## **KEY POINTS OF THE PLAN**

- Design and construct a wetland/pond to address water logging
- Install an all-abilities pathway to provide wheelchair access
- Promote bio-diversity and wildlife.
- Promote education and volunteering

**July 2021 - Local volunteers filled a skip to clear fly tipping and rubbish. Great fun had by all !**

**PLEASE COME ALONG TO THE OPEN DAY - SUNDAY  
22<sup>ND</sup> AUGUST 12-3PM**

**We will be set up on the vehicle turning point in Castlewood Court adjacent to the gated entrance to Castle Wood.**

**This is a residential area with no additional car parking, so we would recommend visitors walk either via Castlewood Court from West King St, or through the woodland where the gate will be open.**

**Helensburgh Community Woodland Group wish to express sincere thanks to Scozzese Pizza of Helensburgh for supporting us. A local business helping their local community.**

**Helensburgh Community Woodlands Group is a Scottish Charitable Incorporated Organisation (SCIO) Charity Number SC044648. Follow us on [Facebook](#): “[helensburgh community woodlands group](#)”**
